PRESIDENT'S REPORT

I feel that any report should start by being uplifting, this just makes sense when you are trying to enthuse your audience. It's easy to be negative when we are going through such a hard period, still feeling the effects of Covid, the restrictions imposed on us, the lack of staff and reduced attendance at our two Campuses. But, and it's a big BUT… the reduced attendance has allowed us to start work on improvements to the Bentleigh Campus. I'm sure you have noticed the plywood walls erected in the Bistro area, these are not just to keep dust and sound down to a manageable level but allow some security to the building site behind. Lack of materials has meant that a 8-week construction of a new fire escape has turned into months, but there is light at the end of the tunnel. What's frustrating is that once the new stairs and exit are completed it will be difficult to tell what's been done. A couple of posts in the Bistro (supporting structures) will be the only sign, although upstairs there will be a doorway from the Ron K. Smith Function Room, which will lead down to an exit in the side street. A lot of money and not much to show for it, but when the lives and therefore safety of our patrons are concerned when is it too much? Making changes has a snowball effect, do one thing and it leads to others. After the safety audit, which we commissioned, we found the alarms upstairs were inadequate so now a new system has being installed, more money but again the safety angle which can't be ignored. Oh, did I mention the required upgrade with the smoke detectors?

After a slow start, Bentleigh RSL Inc. is starting to pickup again. Cheltenham once again requires bookings to get a table, most of the time, and the Bistro at Bentleigh in its reduced capacity is doing good business. The big screen will attract many to watch the football and the beer is still cold. I must admit, sitting down with friends at the Club is still one of my great joys, although I don't seem to be able to go as much these days, I still look forward to discussing issues and fending off playful banter.

Welcome to the many new members from the Bentleigh Club, obviously there will be a "settling in" period because things are "different" at the RSL. I would ask all members to make these new patrons feel at home, perhaps they won't know or understand some of the traditions of the RSL, so a quiet word maybe is all they need so they can join in. We purchased some items from the Bentleigh Club and although they may not stand out, the best examples are the table and chairs in the raised front area, a lot nicer than the big wooden tables that they replaced.

The RSL Patron, Her Majesty Queen Elizabeth II has passed away and I'm sure all of us respect her dedication to duty during her reign. King Charles has a big job in front of him to fill her shoes.

Recently I also lost my mother Edith Stakelum who volunteered before women were admitted as members, a veteran, a committee member, and Vice President for many years. I recall her stories about not being allowed in the "Members" bar or to enter through the back door. What a big deal it was when the RSL accepted woman veterans and gave them membership ("but don't come into the members bar, it's men only!"). Without the Women Auxiliaries, this club would probably not exist. I also lost two uncles in August/September and I'm sure we all know someone who has gone, but who is not forgotten. My sympathies extend to everyone concerned.

Warrick McDonald
President

BENTLEIGH RSL

Our establishment offers a welcome respite from busy Centre Road Bentleigh. The RSL is part of the sub-division of branches that spread right across Victoria and the nation.

Named as Sub-Branch of the Year 2013 and 2017, against many strong contenders, our establishment upholds the values ingrained in the RSL culture as well as those virtues exhibited by many members during service for our country.

The overall experience created by our staff is an exceptional way to spend a special occasion or long afternoon with friends.

There are many different areas throughout the venue that can cater to everyone's needs, from work to leisure, or from a planned function to a small gathering.

There is plenty on offer here at the Bentleigh RSL. Please make sure to let us know if there is anything we can do for you during your time spent with us. It's imperative that you walk away feeling elated and refreshed from the moments you shared at our place.

We proudly maintain a standard here at the RSL, which is among the best that Victoria has to offer, and it's all part of our service to you.

Make sure to drop by next time you need a break.

GOOD NEWS STORIES

Harold Ristrom and Margaret Hattersley, WW2 Veterans, were honoured with handmade quilts from Quilts of Valour.

Harold served on the HMAS Kanimbla and was involved as part of the American Operation, 'Taffy'.

Margaret was a WRAN, who was a Cipher decoding the Japanese messages during the war and both awarded letters acknowledging their service to our country.

This was presented by Commodore Greg Yorke and Anita Hogan from Victorian Veterans Council. The day was attended by other dignitaries, family and friends.

Helping the RSL

Throughout COVID lockdowns Maureen Bugden, has made hundreds of handmade face masks with poppy material for all the members and staff at the Bentleigh and Cheltenham RSL.

Up until the pandemic, Maureen was an active volunteer at the Shrine of Remembrance for over 30 years and sold poppies on Remembrance Day and badges on ANZAC Day for the Bentleigh RSL.

In 2012, she was recognised for her volunteer work for retired serviceman and their families and was awarded a Medal of the Order of Australia (OAM).

We thank Maureen for all the great work she has done for the RSL and the community.

GOOD NEWS STORIES

WELFARE REPORT

As we weave and duck through 2022 avoiding covid, getting covid, getting the fourth booster, getting the flu jab and generally trying to stay fit and healthy, it has been a great year for the Welfare department.

I would like to start my report by acknowledging the Welfare and Charitable Committee members who meet six times a year and support the welfare department:

Sophie Calogiros, Tammy Gardner, Marilyn Parnell, Judy Smith, Ray Neuchew, Elliott Katz, Ian Butcher and Wayne Holmes headed up by Sylvia Lindsay as Chairperson.

All our volunteers are active and engaged members, providing many suggestions and recommendations for the Welfare and Charitable Committee and sub-branch as a whole. They work in various roles ranging from board members to veteran and family support roles. Thank you for your time and dedication to the Bentleigh RSL.

The 2022 ANZAC Day Appeal saw volunteers back in full force, working in the streets, at shopping centres, supermarkets, railway stations and many other places to raise money for this worthy appeal. As I always mention, this cannot be done without the dedication of many volunteers each year.

This is evident in the statistics, with our volunteer hours reaching over 635 throughout the 2022 ANZAC Appeals in April.

The final amount raised for the 2022 ANZAC Appeal:

Bentleigh	**Cheltenham**
$48,989.85	**$ 13,610.37**

Total $62,600.22

We have reached a fantastic total which will be spent on our veterans, war widows and the community.

Our volunteers have been issued with Certificates of Appreciation from RSL Victoria in recognition of their support for the ANZAC Appeal.

Please purchase a badge for the 2022 Poppy Appeal or donate via the flyer in

At Ease. The money donated allows the Welfare department and RSL to provide assistance and support to past and present veterans and their families.

The Medical transport service with Andrew Coffey is thriving, with many members grateful for the one on one that is offered when attending lengthy medical appointments. This has alleviated the stress of finding a park. It's great to know someone is waiting for you after undergoing tests at hospital or when seeing a specialist. We do prefer if you ask family members if they can escort you before arranging this service.

WELFARE REPORT

I would like to acknowledge all the work Tammy Gardner has been doing for RSL Active. She coordinates all of the events and is there ensuring everyone is getting the best experience. A great deal of work goes into organising the ongoing program and she is doing a great job. RSL Active received a government grant of $200,000 so that this program can enable veterans to develop social networks and improve physical and mental health.

Bentleigh RSL funds all their programs and does not rely on Government funding. Some of the programs have included a shooting range, rock climbing and archery.

Two new volunteers have started visiting isolated women in their homes. This program compliments the visiting program for isolated men living alone in the community. We are also keen to recommence visiting our veterans in Vasey RSL Care, East Brighton.

We are working in conjunction with Holmesglen Hospital to ensure all DVA veterans and war widows are followed up on after they return home. Pat Cahill also visits our veterans and war widows whilst in Holmesglen.

Edith Wood recently turned 100 and a party, along with cake and presents were given to Edith to celebrate this milestone.

RSL presentation boxes for funerals are now presented to the family at the end of a service along with the Australian flag. This is a beautiful memento that the family can keep forever.

PACE Exercise Physiologists have successfully run the exercise classes for 15 years every Tuesday morning at Bentleigh. Weekly classes start at 10-12 pm with advanced, intermediate and beginner classes almost at capacity.

DVA gold card holders do not pay for classes and members pay $5 per class. We have seen an increase of participants this year with new members wanting to join. This is still a popular program with members staying for lunch and a movie is offered every week in the afternoon. There are limited spots available so contact Sylvia if you are interested.

I am putting the call out for whitegoods, linen, towels, and any household goods that can be donated and passed onto veterans when setting up a home. Let me know if you have anything suitable and we can arrange a convenient time to pick the items up or drop them off at the RSL.

WELFARE REPORT

We have been doing a great deal behind the scenes; arranging several deep cleanings of homes, buying a mattress, providing furniture for those in need, arranging a personal alarm, lawn mowing, food vouchers, medical expenses, mobility aids and much more.

We offer so many programs at the Bentleigh and Cheltenham campuses. You are welcome to join in as much or as little as you like.

Key Safe Program- The key safe is available to veterans and members feel they need the security of this device.

The safe is installed and locked at the front of the home with a personalised PIN number that will only be known by the member, next of kin, Ambulance, Police and Fire Brigade.

In the case of an emergency, the emergency services will obtain the key from the key safe to gain access to the home without having to break in and cause damage to your property. The key safe can also be used if you accidentally lock yourself out of the house or a family member needs to access your home. All emergency contact details must be updated on the database every 2 years via the RSL.

WELFARE REPORT

Smoke Detector Battery Change – Your smoke detector batteries can be changed annually by our police-checked volunteers. Your old smoke detector can also be replaced if required.

Home Maintenance – We offer minor repairs such as replacing light bulbs or fixing leaking taps. We can also recommend genuine trades people if you require larger jobs done to be at your expense.

Taxi Vouchers – Vouchers are for veterans and war widows who need to get to medical appointments and are unable to use public transport.

Medical Transport – We can arrange for a volunteer to take you to medical appointments or pick you up from hospital after a procedure.

Lawn Mowing and Gardening – Lawn mowing is only available to veterans who can no longer attend to their own lawns. Please ask family members if they can help you first before contacting the RSL.

Medical Aids – We stock a variety of mobility aids available to try or borrow for temporary use only. I recommend consulting your doctor prior to using any mobility aids.

S.A.N.I.T.Y – Seniors and New Information Technology provide one-on-one private lessons to help you with your laptop, mobile phone, iPad or anything technological you may want to learn. Classes are held on the third Wednesday at Bentleigh.

If you would like to take part in the classes, contact **S.A.N.I.T.Y**. on **1300 569 832.**

Please do not call the RSL to make a booking.

Social Groups – Both campuses offer either a day club or coffee club to socially interact with other people. PACE Health exercises classes are available at Bentleigh.

Shopping – We can assist you with grocery and personal shopping if required, provided you meet the criteria.

Friendship Program – If you can no longer get into the RSL and would like to interact with other people, a volunteer can pick you up and bring you in for lunch.

Aged Care and Community Visiting – If you have gone into hospital, have moved into an aged care facility or live alone, we can arrange one of our community visitors or Veteran Support to visit you.

Pensions – The Bentleigh RSL Pension office covers disability pensions, compensation payments, associated allowances, income support payments and treatment available to entitled veterans and former serving members of the Defence Forces and their dependents.

WELFARE REPORT

Terry Hogan, Pension Advocate, is a qualified Military Compensation Advocate and is up to date on all the Department of Veterans Affairs changes and treats each application with confidentiality and privacy.

Please remember that The Department of Veterans Affairs will not increase your pension without the veteran putting a claim in. Even if you have made a claim and it was rejected, it is worth trying again as circumstances change.

A reminder that a veteran's GOLD CARD does not automatically pass onto the widow when they pass away. Please call Sylvia for further information.

Pensions are by appointment only on Tuesday and Thursdays and all appointments are made through **Sylvia Lindsay, Welfare Coordinator** on **9557 4547** or email **sylvia@bentleighrsl.com.au**

We pride ourselves on assisting our members to live at home as independently as possible with all the resources available. Many people are unaware of the services they can access or are entitled to. We can offer a simple home visit or a phone call to start the process of how we can assist you.

We provide information on how to access aged care services, community health respite services and residential care and a broad range of services.

For more information about Aged Care Facilities, health information and support within the home contact:

Vietnam Veterans

We had a great turn-out of 33 veterans for the Vietnam veterans lunch, which was held at Bentleigh on August 18th, 2022. This year, the event was held on the actual anniversary date of Long Tan Day.

We were welcomed by Sylvia Lindsay, our Welfare Coordinator and her welfare colleagues, Tammy Gardner and Sophie Calogiros.

Sylvia introduced two new Vietnam veteran members to the lunch and invited them to say a few words.

A regular soldier, David Francis, served in 1ATF Headquarters in 1969/70. He introduced himself and delivered a moving speech reminding all those present of the lead up to the war, the number of men who served, and sadly the 521 men who died in service.

Richard Papworth had an interesting tale. Richard was not a serviceman but went to South Vietnam as a member of The Australian Surgical Team, part of Australia's External Affairs Department, later to become The Department of Foreign Affairs.

Richard had a background as a corporate accountant and was posted to Long Xuyen hospital along with some Australian medical staff to assist local medicos who were under great stress. One of Richard's many tales involved being a passenger in a RAAF Caribou crashing into the Gulf of Thailand, from which he obviously survived.

Lastly, Alan Murphy (Smurf), presented a framed photograph taken during his time in Vietnam. The photo was of a banner stretched across the road that he was travelling along in an APC. It was not until several weeks later when the developed pictures were returned to him that he read the text on the banner. It was a message from the local Vietnamese civilians thanking the Australian and New Zealand soldiers for their work in the province. The photo will be displayed in the clubrooms shortly.

Thanks again to Sylvia for her untiring work and to the Bentleigh RSL for sponsoring the afternoon.

The next lunch will be held on February 16th, 2023, at Cheltenham RSL.

SPORTING BODIES

GOLF REPORT

Golf section is progressing through its yearly fixture without having any forced layoffs as in the past. Our next meeting is our annual "trip" to the Murray region for the prestigious George Warburton trophy challenge, which will occur at Cobram Barooga course.
We invite any new R.S.L. members who may have recently joined from another club to contact us if you enjoy golf and are looking for some new and fairly relaxed competition.

Cheers
Mike Wells

DARTS REPORT

Darts season is now at the halfway stage.

The Bandicoot's side won their grand final last season and advanced to Division 1, in which they are holding their own for the most part but there is some very stiff competition at that level. The Blue team have remained in Division 3 and are very much level pegging so to speak with the rest of the Division. They are currently 3rd on the ladder!

We all appreciate the staff commitment to ensure that the darts area is set up every Wednesday.

Have a Great Day!
