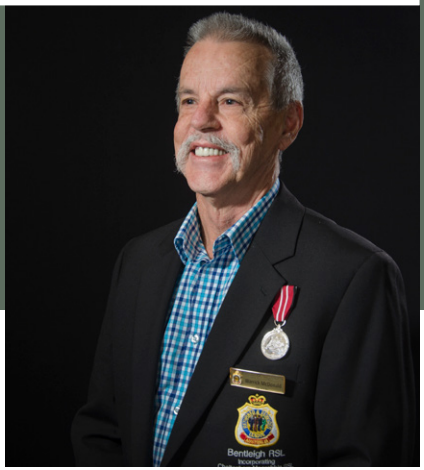
PRESIDENT'S REPORT



January is not only the start of a new year it brings with it the close of our financial trading and therefore our reports. It is my pleasure to report that the Bentleigh RSL Sub Branch Inc. representing the Bentleigh and Cheltenham campuses have exceeded expectations. More has been given to veterans and the community than ever as per our charter, and membership has grown. The full report will be available at the AGM coming up in March as announced in this issue.

Changes have occurred recently with the dissolving of the Agreement regarding Cheltenham/ Moorabbin RSL becoming part of the Bentleigh RSL. Because of Corporate Governance rules it was long overdue and it now allows Cheltenham campus members to stand for any position, the same applies to Bentleigh campus members. Obviously within the rules as per RSL State Branch.

Nothing else changes though everyone at both campuses are still Bentleigh RSL Sub Branch Inc. members it's just that everyone has the option to nominate which campus they want to belong to. This is mainly for business reasons so that we can keep track of what each campus does.

Election time also comes along at this time of year, as I type this nominations have closed and our Returning Officer, Elaine Rotor will be checking on candidates nomination requirements. Once all nominations are checked the candidates will be advised (see voting requirements within this issue). While I have the opportunity, I would like to thank Ray Neuchew for the many years he served as the previous Returning Officer. Of course the same thanks go to Phil Gillespie at Cheltenham.

The elections have resulted in myself (President), Judy Smith (Committee) and Chris Barrile (Vice President) not standing again. My thanks on behalf of Bentleigh RSL go to Judy and Chris who have volunteered over many years to help and support the Sub Branch. Judy stepped in when her husband Kevin became very ill and after he passed she became a representative of Cheltenham under the previous agreement. Chris as anyone who goes to Cheltenham knows, is a fixture and having recently retired, will I'm sure spend more time at the Sub Branch.

Congratulations to our new Appeals Officer, Wayne Holmes who has taken on the mammoth task of running the ANZAC and Remembrance Day appeals for both campuses. Wayne is also a Committee member and ex Air Force (although no one holds that against him). Wayne does visitations most Mondays and is a strong contributor to the Sub Branches.

My congratulations go to the new Committee members and the ones who are still in office. My thanks go to the staff and volunteers I have worked with, over the last 10 years, because without everyone working together we would not have been able to achieve what we have now. I am proud of our accomplishments, the increase in Welfare and Community recognition with grants, scholarships and donations. The improvements around the buildings, new bar area, Sports bar lounge, upstairs meeting room/s, new Welfare Office, new Pensions Office, new kitchen, new bar and Presidents Office plus we mustn't forget the new fire escape upstairs. After Cheltenham's major overhaul it may not look like there have been any changes, but they are subtle. The building has been painted, divider placed in the bar, to separate the Gaming room and the bar area made bigger. New safe installed and security enhanced. The beer garden out back and the replacement of furniture inside. Pre covid plans are now being looked at again, so that Cheltenham can be invigorated with a new addition as part of its growth future. This new venture is an exciting prospect and I'll let the new Committee share this with you in the months to come.

The outlook looks good for the Sub Branch's and I leave it in a strong financial position, with a plan to reduce all debt within 5-6 years and with plans that will be beneficial to our standing in the future.

Farewell and thanks to everyone.

Warrick McDonald
President

RSL ACTIVE

THE RSL ISN'T A BUILDING. IT IS A COMMUNITY.

RSL ACTIVE

2023 saw many new Veterans and their families come along and get involved with RSL Active events. Bentleigh RSL Active finished the year off with a bus trip to visit the Vietnam Veterans Commemorative Walk in Seymour.
The names of each man and woman who served in the Vietnam War are scripted across the 106 glass panels. Vivid photographs capture a moment in the lives of all service men and women and provides a stirring photograph timeline. The photos reveal their experiences and battles along with their trials and tribulations as a poignant place in Australian history.

2024 is shaping up to be another great year with events such as axe throwing, outdoor archery, golf, painting, go-karting and more.
All events are open to Veterans, partners and immediate dependant family. Come along and give it a try. For further information speak to the Veteran Support team or email vetsupport@bentleighrsl.com.au

WELFARE REPORT

This will be my last Welfare report as I will be retiring on 4th July 2024. After 16 and half years in this fantastic role as Welfare Coordinator, it is time to travel the world, caravan across Australia and spend time with my grandchildren. It has been an honour and a privilege to work at Bentleigh RSL and I'm sad to be leaving but excited to start the next chapter of my life.

I must thank the support of Management, particularly Glenn Sanders and Sharyn Rigby, various Committees including special Committee members, and my welfare team of Sophie and Tammy that I have had the pleasure of working with for such a long time.

Also, to the members and staff, who have become friends, I thank you for being a big part of my life for over 16 years.

A new title has been given to the Welfare Department that has been changed on the website. We will be known as Veterans and Community Support, but my title as Welfare Coordinator and Sophie Calogiros title as Welfare Assistant will remain the same. Tammy's email has changed to vetsupport@bentleighrsl.com.au This breaks away from the Aged Care title as most of the clients we deal with are younger veterans.

The Poppy Appeal 2023 saw our great team of volunteers out in full force yet again, selling badges and raising money for this worthwhile cause.

BENTLEIGH	**$24,154.80**
CHELTENHAM	**$15,039.45**
EFTPOS	**$7,782.50**
TOTAL =	**$46,976.95**

This amount is much less than in previous years, particularly from the schools. I must thank all the volunteers from Bentleigh and Cheltenham who support us with their time and energy each year. The proof is in the hours with our volunteers putting in 563 hours to raise money for the Poppy Appeal. This is a fantastic effort, and I am sure there is even more hours that are not accounted for.

Rosemary Papalitsas has been a driving force behind the Appeals raising over **$150,000** and contributing **2170 hours over 8 years** she has volunteered for the Bentleigh RSL but she has announced she will be retiring. We would like to thank Rosemary for all those hours sitting out in the streets and out the front of Dan Murphys, East Brighton.

Wayne Holmes has been appointed as the Appeals Officer and will now oversee the handling of the ANZAC and Poppy Appeal. This is a time-consuming role, and we thank Wayne for accepting this position.

We continue to have bus trips throughout the year that are funded by the RSL. These trips have generated a great deal of interest, and we try and accommodate everyone on a rotating basis. You will find the upcoming bus trips in this copy of At Ease.

Morning Melodies are held at the Cheltenham campus on the first Monday of the month starting at 10.15am. This event is supported by the members and many community organisations.

The Bentleigh RSL Social group meets on the fourth Thursday of the month. They host a variety of events such as entertainment, trivia day and guest speakers. All members are welcome to attend.

We are always looking for white goods, household items, mobility aids and anything else that can be passed onto others who need assistance.

The Bentleigh RSL Pension office covers disability pensions, compensation payments, associated allowances, income support payments and treatment available to entitled veterans and former serving members of the Defence Forces and their dependents.

Terry Hogan, Pension Advocate is a qualified Military Compensation Advocate and is up to date on all the Department of Veterans Affairs changes and treats each application with confidentiality and privacy.

Please remember that The Department of Veterans Affairs will not increase your pension without the veteran putting a claim in. Even if you have made a claim and were rejected it is worth trying again as circumstances change.

A reminder that a veteran's **GOLD CARD**, does not automatically pass onto the widow when they pass away. Please call Sylvia for further information.

Pensions are by appointment only on Tuesdays and Thursdays.

WELFARE PROGRAMS

KEY SAFE PROGRAM

The safe is installed and locked at the front of the home with a personalised PIN number and it can only be opened using a PIN number that will only be known by the member, next of kin, Ambulance, Police or Fire Brigade.

In the case of an emergency, the emergency services will obtain the key from the key safe to gain access to the home without them having to break in and cause damage to your property. The Key Safe can also be used if you accidentally lock yourself out of the house or a family member needs to access your home in an emergency. All emergency contact details must be updated on the database every two years via the RSL.

The key safe is the property of the RSL and will be retrieved if no longer required.

SMOKE DETECTOR BATTERY CHANGE

Your smoke detector batteries can be changed annually by our police checked volunteers. Your old smoke detector can also be replaced if required.

HOME MAINTENANCE

We offer minor repairs such as replacing light bulbs or fixing leaking taps. We can also recommend genuine trades people if you require larger jobs done at your expense.

TAXI VOUCHERS

Vouchers are for Veterans and war widows who need to get to medical appointments and are unable to use public transport.

SOCIAL GROUPS

Both campuses offer either a day club or coffee club to socially interact with other people.

PACE Health exercise classes are available at Bentleigh.

Contact Bentleigh and Cheltenham for further details of programs.

FRIENDSHIP PROGRAM

If you can no longer attend the RSL and would like to interact with other people, a volunteer can pick you up and bring you in for lunch.

MEDICAL APPOINTMENTS

The welfare car is available to transport you to medical appointments. Please try and ask family members first to assist with appointments.

LAWN MOWING AND GARDENING

Lawn mowing is only available to veterans who can no longer attend to their own lawns. Please ask family members if they can help you first before contacting RSL. We do not provide help with weeding.

MEDICAL AIDS

We stock a variety of mobility aids available to try or borrow for temporary use only. I recommend consulting your doctor prior to using any mobility aids.

S.A.N.I.T.Y – SENIORS AND NEW INFORMATION TECHNOLOGY

1:1 private lesson to help you with your laptop, mobile phone, iPad or anything technological you may want to learn. Classes are held on the third Wednesday at Bentleigh. If you would like to take part in the classes, contact S.A.N.I.T.Y. on 1300 569 832 ***Please do not call the RSL to make a booking.***

WELFARE PROGRAMS

SHOPPING

We can assist you with groceries and personal shopping if required providing you meet the criteria.

AGED CARE AND COMMUNITY VISITING

If you have gone into hospital, have moved into an aged care facility or live alone, we can arrange for one of our community visitors or Veteran Support to visit you.

Wayne Holmes has established a men's home visiting program twice a month. He has established a rapport with the veterans he visits and for many, this is the one thing they look forward to on a regular basis. We also offer a female visiting program.

We pride ourselves on assisting our members to live at home as independently as possible with all the resources available. Many people are unaware of the services they can access or are entitled to. We can offer a simple home visit or a phone call to start the process of how we can assist you.

We provide information on how to access aged care services, community health, home help, respite services, residential care and a broad range of services.

We can also assist you to navigate the My Aged Care application process to ensure you are receiving all the care you are entitled to in your own home to maintain independence.
